

# SiteAudit OnSite v7

Netaphor SiteAudit™ Solutions for Auditing and Fleet Management

## Hybrid Office Fleet Management

SiteAudit OnSite v7 brings auditing and fleet management to a new level by leveraging its data collection power, platform integration and visualization tools to enable more analytical and proactive fleet services to partners and end customers.

**New SiteAudit v7.5** adds device tracking for hybrid workplaces. This provides centralized management of corporate and work from home fleets extending visibility and cost control over all devices no matter their physical location.
